

## **Important Facts to Know**

**Gift Boxed Chocolates and Treats is a nine item program. Where YOU pick selling price point for YOUR school or group in YOUR neighborhood.**

**The cost of each is \$5.00. Your profit per item is determined by the selling price that you set less the \$5.00 cost per item. Please book your program now to lock in this great price which is subject to change without notice except for booked programs!**

**There are 24 items per case. These are straight cases with all of the items being the same in the case. Nine products times 24 items per case equals 216 items for all of the items to be shipped. Your cost for the order of one case of all of the items is \$1080.00. Payment with order is required.**

**Shipping is prepaid and included in the wholesale selling price to any destination in the contiguous 48 states of the United States. Shipping is directly from the candy factory. NO RETURNS ARE ACCEPTED.**

**How will the needed funds be put to use? What is your**

goal? How many sell sheets do you need to facilitate your group raising its needed funds? One sheet per volunteer participating is recommended.

To establish the goal per volunteer, take the goal and divide it by the number of volunteers.

I hope that I may be of service to you in your quest to raise needed funds. What is our next step?
